

FEST Orientation Term I 2024

FEST Orientation

The orientation program of the Faculty of Engineering Science and Technology (FEST) was held on 8 February 2024. Orientation is held each semester to welcome new students who join the faculty. The orientation program introduces students to life in the faculty and makes them familiar with the university practices and policies, university's academics, extracurricular and boarding facilities. This is also an opportunity to meet with the fellow students and get to know the faculty.

FEST at a glance

Many courses in Computer Science, Information Technology, Architecture, Interior Design, Civil Engineering, in addition to Environmental, Marine, Applied and pure sciences are on offer at FEST.

Our Computer Science students will get hands-on experience with the latest state-of-the-art technologies and also will work on modern projects like building machines with some intelligence.

Our networking subjects are benchmarked with international bodies such as CIS-CO and Oracle. Students will graduate with a CISCO. The faculty will do their best to make sure that the learning environment is up to the standard and graduates are ready to take on jobs in the respected area of study. Many of our past students are leaders in their fields and spearheading the development of their fields of expertise.

Handwritten notes in red ink:

1. $\frac{1}{2} \times \frac{1}{2} = \frac{1}{4}$

2. $\frac{1}{2} \times \frac{1}{2} = \frac{1}{4}$

3. $\frac{1}{2} \times \frac{1}{2} = \frac{1}{4}$

[illegible]

١٠٩٨

1. $\frac{1}{x^2} = x^{-2}$ $\frac{d}{dx} x^{-2} = -2x^{-3} = -\frac{2}{x^3}$
