A. Introduction

The purpose of this policy is to set out the procedures for student selection and admission in The Maldives National University (MNU). The procedures apply to all credit bearing courses of the University.

In MNU, the academic year is organized into two terms. The first term starts usually in January or February and the second in July or August. Courses open to admission will be announced four months before teaching weeks begin, except in the case of courses not owned by MNU. No course announcements will be made for MNU courses later than four weeks before the term teaching is scheduled to start. Admission for the intake will be closed two weeks prior to the term teaching is scheduled to start with exception to the applications for viable courses with placements remaining. No application shall be accepted after the first week of the term.

B. Principles

1. MNU is committed to providing a fair admission system. A fair admissions system provides equal opportunity for all individuals, regardless of their background, to gain admission to a course suited to their ability and aspirations.
2. A fair admissions system must be transparent. All applicants must have the opportunity to verify the selection process by following suitable administrative processes. Procedures for complaints and appeals must be available to applicants.
3. Prior educational attainment information, for example, OL/IGCSE/SSC or AL/HSC results, is the best single indicator of success available for deciding admission. Admission criteria for any course should not include factors irrelevant to the assessment of the potential of the student to complete a course.

4. Admission processes should minimize barriers that are irrelevant to meeting admission requirements.
5. MNU Admissions system must be regarded by the public with confidence. It must offer a high-quality, prompt, and professional service to applicants.
6. *Eligible* applicants will be offered seats on *merit basis*; that is, students are allocated seats based on the academic achievements in their previous studies that meet the entry requirements set for the course.
7. Whenever possible, student preferences on courses will be given priority.

C. Information for applicants and enquirers

1. Accurate and appropriate pre-entry information, transparent admissions procedures and support to prospective students will be provided by MNU.
2. Up-to-date selection criteria and processes will be published on MNU website.
3. Every effort will be made to ensure that the information provided is accurate at the time of publication. All information that is subject to change, after publication such as course information, entry criteria, University processes/policies and financial matters will be kept up to date on MNU website.
