

Theveli International Conference Poster Presentation Guideline

Research Development Office

The Maldives National University

1 Theveli International Conference Poster Presentation Guideline

These guidelines will help you prepare your poster presentation to ensure a smooth and professional display during the conference. Please follow the instructions carefully to align with the conference standards.

2 Poster Size and Orientation

- Posters must be prepared in A0 size:
 - ✓ Dimensions: 841 mm (width) x 1189 mm (height).
- Orientation: Portrait (vertical) only.

3 Language

- All content must be presented in English or in Dhivehi

4 Readability

- Ensure your poster is easily readable from a distance of 1.5 meters (5 feet).

5 Content

- The poster should comprehensively reflect the material detailed in your accepted abstract.

6 Exhibition Details

- Posters will be displayed on designated poster boards throughout the conference.

7 Submission Guidelines

7.1 *Local participants:*

- Submit your posters to the **Senior Administration staff, Aminath Shahla**, in **Room E6-19**, at least one day prior to the poster session.

7.2 *Participants traveling from outside the Maldives:*

- If arriving on the day of your presentation, you may bring your poster directly.
- However, early submission to the administration staff is strongly recommended to ensure smooth organization.
