

Lifelong Learning Policy

1. Introduction and Purpose

The Maldives National University (MNU) affirms its strategic commitment to Lifelong Learning as a foundational pillar for individual empowerment and national development. This policy aligns with the mission of MNU in developing and disseminating knowledge.

In response to the evolving global landscape shaped by technological advancement and sustainability imperatives, this policy outlines MNU's dedication to providing inclusive, flexible, and future-oriented educational pathways. These pathways aim to equip learners with the competencies required to engage with the evolving global changes and contribute meaningfully to the community.

2. Policy Statement

MNU shall maintain a comprehensive Lifelong Learning initiatives and practices that support continuous personal, professional, and civic development. The University is committed to delivering high-quality, accessible, and responsive learning opportunities that integrate technological innovation and sustainable practices for the community.

3. Scope

This policy applies to all Lifelong Learning initiatives across the University and encompasses, the following, but is not limited to:

- Non-degree and continuous professional development courses.
- Public lectures, workshops, and community outreach education.
- Recognition of Prior Learning (RPL).
- Flexible entry pathways for non-traditional learners.

4. Policy Principles

The implementation of this policy shall be guided by the following principles:

a) *Inclusivity and Equity*

Ensure universal access to Lifelong Learning opportunities, with particular attention to disadvantaged and underrepresented groups. This shall be achieved through adaptable and digitally facilitated learning pathways.

b) *Lifelong Learning Provision*

Develop and deliver a diverse portfolio of formal and non-formal Lifelong Learning programmes that respond to evolving societal, technological, and economic needs. These offerings shall support continuous development across all life stages and be delivered through flexible modalities to ensure broad accessibility and relevance.

c) *Quality and Relevance*

Maintain rigorous academic and operational standards in alignment with national and international benchmarks. Curricula shall be regularly reviewed and updated to reflect technological advancements and sustainability priorities.

d) *Recognition and Portability*

Implement transparent mechanisms for Recognition of Prior Learning (RPL) and endorse micro-credentials to validate competencies acquired through diverse learning experiences.

e) *Community Engagement*

Promote Lifelong Learning as a public good through outreach initiatives that advance lifelong learning skills, sustainable practices, and community empowerment. These efforts shall be conducted in collaboration with relevant stakeholders.

f) *Research and Innovation*

Support scholarly inquiry into Lifelong Learning, emerging technologies, and sustainable development to inform institutional practices and policy evolution to contribute as a global citizen.

g) *Collaboration and Partnership*

Strengthen strategic partnerships with governmental bodies, industry stakeholders, and professional organizations. These collaborations aim to co-create impactful Lifelong Learning opportunities that foster innovation and economic diversification.

5. Policy Implementation

Effective implementation of this policy shall involve the following components:

a) *Institutional Responsibility*

The Deputy Vice Chancellor (Academic Affairs) shall provide strategic leadership in the implementation of this policy. Faculties and centres shall oversee programme development and delivery, implementation and impact.

b) *Programme Development and Delivery*

Programmes should incorporate forward-looking content and pedagogies. These shall be delivered through contemporary pedagogies such as using technology and flexible learning platforms.

c) *Quality Assurance and Review*

Lifelong Learning offerings shall be subject to systematic monitoring and evaluation as per MNU policies. This shall include but is not limited to metrics for MNU’s internal quality assurance framework, technological integration and sustainability, informed by stakeholder and industry feedback.

d) *Capacity Building*

Continuous professional development shall be provided for MNU’s academic and administrative staff for implementation of this policy. Training shall focus on contemporary digital tools, emerging educational technologies, data analytics for impact measuring, and sustainable curriculum designing.

e) *Resource Allocation*

Strategic investment shall be directed toward ensuring availability of resources required to implement this policy and its associated initiatives.

f) *Communication and Outreach*

Lifelong Learning opportunities shall be actively promoted through all platforms including digital platforms. Emphasis shall be placed on programmes addressing technological and sustainable development priorities.

g) *Monitoring and Reporting*

Progress shall be tracked through key performance indicators and stakeholder input. An annual review shall be conducted to ensure alignment with evolving global trends and national priorities.
